

EG801

- ▶ Special cord-bonding ingredient improves tire life and maximizes retreadability.
- ▶ Specialized mixing technology lets anti-wear particles and heat-elimination formula well-distributed, improving overall durability.
- ▶ Specialized one-step Banbury mixing technology lets anti-wear particles and heat-elimination formula well-distributed, improving over all durability.
- ▶ Optimized deep multi-blocks and tiny kerfs pattern design provide ultra tremendous driving force and ensure anti-peeling performance.

Size	PR	LI/SS	Type	Standard Rim	Overall Diameter (mm)	Section Width (mm)	Tread Depth (mm)	Load		Pressure
